

Weekly News Summary.

Vermont.

The Barton fire company has disbanded.

St. Paul's church in Burlington has a boy choir numbering fifty members.

The Brattleboro band has received its appointment as the Vermont regimental band.

PROFESSOR JUDAH DANA ruptured a blood vessel in one of his feet and is at present quite lame.

THERE have been shipped from Bradford this season 1,008 crates or 40,490 quarts of strawberries.

THE convent of Our Lady at Rutland has been permanently closed. The sisters have left for Montreal.

ONE of the pioneer merino sheep-breeders in Addison county, Sumner Clark, died recently at his home in Addison.

At West Randolph, Frank Belcher, a young mill man, who had his fingers slightly cut on a circular saw a few days since, died from lockjaw.

SAMUEL BASS, a West Randolph gardener, has picked eight hundred quarts of strawberries from one-eighth of an acre of land this season.

A CAR LOAD of kerosene oil en route for St. Johnsbury was burned about three miles from Swanton village on the night of the 25th. Loss \$500.

THE ladies of St. John's church West Randolph, held a fair the 25th, from which they obtained \$250. A China tea set was voted to the new band.

A DOG recently found an animal in a stone wall in North Shrewsbury, and upon being dislodged it proved to be a fine specimen of white woodcock.

JONES LAMSON & Co., cotton manufacturers of Windsor, and the Jones & Lamson machine company have been attached for the benefit of their creditors.

A BATH was made on Town's hotel at Bellows Falls recently and over one hundred and sixty gallons of liquor seized. The proprietor threatens that the hotel shall be closed till next March except of grand jurors.

C. J. CHAPMAN was arrested in Rutland for being drunk and fined \$100 and costs, and ordered to furnish security of good behavior within six days, after which a meeting of creditors to elect an assignee will be called. No opposition to the adjudication was made by Haven.

DEODAT STUART of Peacham became intoxicated one day recently, and chased his wife from the house threatening to murder her. She ran screaming towards the neighbors, and fortunately was heard and rescued before her husband could do her any harm.

At a recent meeting of the Kingsley Guards of Rutland a thorough investigation was made in regard to the absence of several of the members at the time they were called out to go to Ely, and all were excused, satisfactory reasons for non-appearance being given in every case.

A SON of T. J. Hubbard of Town's hotel at Bellows Falls was out gunning the other day with a friend named Kenrick, when a revolver in Hubbard's hands was accidentally discharged, the ball passing through his finger into Kenrick's leg. The latter is comfortable, but the ball has not been found.

CAMP Frank Rev. Sons of Veterans of Bennington, was held July 25th by Lieutenant Colonel E. D. Proctor. There were twenty charter members and every prospect of a growing camp. Captain Wells Valentine and a delegate represented the camp at the annual division encampment at Burlington last Thursday.

A FAMILY in Craftsbury is terribly afflicted. The father has a cancer on his forehead; two daughters are rapidly running down with consumption; a son, on whom the family has largely depended for support, is in very poor health, probably in consumption, and the mother, worn out with labor and anxiety is raving crazy.

In a maple grove owned by A. L. Davis in Hartland, is a natural curiosity. It consists of two main trees standing eighteen feet apart at the ground. One five and one-half feet in circumference, grows straight, the other takes the same direction three and one-half feet, then makes a perfect curve and takes a horizontal direction four feet, from which point it curves upward and forms a perfect union with its neighbor.

Other States and Territories.

The Tewksbury investigation has cost Massachusetts \$13,000.

THE American Rapid treats the strikers better than it did Captain Webb.

UTAH has 160,000 inhabitants, 140,000 of whom are Mormons, but only 15,000 polygamists.

It is said that British capital to the amount of \$30,000,000 went into Wyoming and Texas last year.

THE United States has paid its soldiers \$700,000,000 in pensions. The remnants of the war are expensive.

ROBERT B. BEATH of Philadelphia has been elected commander-in-chief of the Grand Army of the Republic.

ENGLAND has a reserve of 1,000,000 papers from which to select for "assisted" emigration to America.

THE war department has received a telegram announcing the arrival of General Sherman and party at Missoula, Montana.

EX-TERRESTRIAL POLK of Tennessee has been sentenced for twenty years, and fined the full amount of the embezzlement.

Mrs. LANTRY and her traveling companion, Mrs. Roberts, sailed for England July 24th. Frederick Gebhard was on hand to bid her farewell.

TELEPHONIC communication between Baltimore and Washington was formally opened to the public July 26 by the Chesapeake and Potomac company.

DR. BROWN-SQUARD has discovered a new anesthetic which renders insensible, but not unconsciousness or physical activity, for an entire day or more.

The alleged attempt at assassination of a working operator at Atlanta, Ga., turns out to have been merely reckless use of a parlor rifle by small boys shooting at a target.

JOSE BILLINGS is a native of Lanesboro, N. H., and there he hopes to be buried. He has directed his children to mark the grave with a rough stone from the quarry near by.

THE Sons of Veterans have twenty-eight camps in Massachusetts, and are now numbering three hundred members, although the order has been in existence but two years.

The fear of cholera in London is making our government alert. Preparations have been made for the strictest quarantine against London and Liverpool vessels in case of necessity.

DURING a recent winter trip Rev. Dr. Fulton of Brooklyn found in one part of Wisconsin a beer garden thirty acres in extent, in which every Sunday 10,000 persons gathered to drink beer.

A DAKOTA paper claims that it costs \$11,000 for a man to get a moderate outfit for farming in Iowa, but all a woman needs to run a homestead in Dakota is an oil stove, three hens and a rooster.

ESTIMATES at the treasury department, although not perfect, indicate the possibility of a call for three and one-half per cent bonds to the amount of \$25,000,000 before the close of the month.

THE annual meeting of the national civil service reform league is held at Newport, R. I., to-day. Mr. George William Curtis will deliver an address at 11:30 A. M., in the Channing Memorial church.

In the New England conference of the Methodist Episcopal church there is only one minister who receives as high a salary as \$2,000. Only five receive more than \$1,000. The average salary is about \$500.

A DISPATCH from Springfield to the Boston Herald says: "The store that Governor Butler gave Williams cost \$2,000 at the late commencement is without foundation. The money was given by a graduate."

THE quantity of logs cut and floated down the prominent streams the past season is estimated at 345,000 cords. This includes the number cut in northern Maine which floats into the New Brunswick river.

HON. MONTGOMERY BLAIR, eldest son of the famous Frank P. Blair, died at his residence in Silver Springs, near Washington, last Friday, aged seventy years. He was post-master-general of Lincoln's cabinet. He leaves a widow (a daughter of Judge Levi Woodbury of

New Hampshire) and four children, three sons and an unmarried daughter.

THE national soldiers' reunion at Columbus, Ohio, closed last Friday. The principal feature was a grand parade, in which it is estimated that 4,000 people participated. About 150 regiments were represented in the line.

THE polygamists in Utah will not be allowed, under the Edmunds bill, to vote for members of the next legislature of the territory, and the commissioners expect to carry out the provisions of the law. The election will be held this month.

THE thirty-seventh annual course of lectures in the medical department of Dartmouth college begins to-day with an address by Professor Louis Leakey of New York. The fall term of the Thayer school of civil engineering also opens to-day.

FROM January to May, inclusive, the number of German emigrants to this country was 89,810, as against 102,324 in the same period of last year. The prospect of an unusually good harvest this year in Germany may have something to do with the decrease.

A CARriage containing the skeletons of three adults and two children sitting upright under a large tree has been found near a road in Llano county, Texas. The tree had been shattered by lightning. The weather-beaten appearance of the carriage indicated that the accident happened a year ago.

THE fly-wheel of the engine in the Great locomotive works at Paterson, N. J., broke recently in a singular manner, the rim remaining intact while the spokes flew all about the engine room. A number of men were standing about the time, but luckily none of the men were hit. The building was considerably damaged.

A DUEL with pitchforks was fought at High Grove, Nelson county, Kentucky, Wednesday, between two farm laborers, growing out of a quarrel. One procured a long-handled, two-pronged fork and the other a short-handled one with four prongs. They fought it out alone, and the victor died to die without being able to describe the contest.

THE treasury department has received a remittance from the British authorities against the return to England of three alleged pauper emigrants who were going to friends in this country who had promised to take care of them, and which emigrants had shown letters to that effect upon their arrival in the United States. The matter will be inquired into.

SEÑOR DON FRANCISCO BARCA, Spanish minister to the United States, shot and killed himself in his room in the Albemarle hotel, New York city, between two o'clock and sunrise Sunday morning. He left letters saying that the cause of the act was his indebtment. He died at the age of 50, and had been in this country during the two years he had been in this country.

A CASE of genuine leprosy was presented at the San Francisco health office on the 14th inst. The patient was a Swede, who had the appearance of being forty years of age, but was actually only twenty-five. He had been in the United States for some time, and had been in the city of San Francisco for some time.

AN excursion train on the R. & W. O. railroad with an engine on each end ran into a freight car which had been blown by high wind from a side track at Carlisle, N. Y., about half-past nine o'clock Friday night. Three cars were completely demolished and the others piled in one great heap. Twenty-two persons were killed and thirty-five injured. The cause of the accident is being investigated.

A NEW post-office has just been organized in Laurens county, Ga. Several citizens who had interested themselves in the establishment of the office, asked that it might be named "Post-office." The department, with unaccountable modesty replied that it could not accede to the request, as there was an office of that name in every county in the State.

THE bond call issued last week Thursday contains a new provision, which is highly commensurate with the times. It provides that any bond embraced in the call may be redeemed prior to maturity upon presentation, with interest to the date of redemption. The ground work of this is in September and October, when the bond is due.

THE bond call issued last week Thursday contains a new provision, which is highly commensurate with the times.
